1. [ ] Talked with Boyd Crawford, Staff Administrator, House Foreign Affairs Committee, concerning the request of Marion Czarnecki, also on the Committee staff, for information on Soviet oil penetration in Europe for Representative Edna Kelly (See Journal of 20 July.). I advised Crawford of my conversations with Czarnecki, to the effect that since the State Department had briefed Mrs. Kelly in depth on this subject, and since all information we had had been passed to State, we felt that no useful purpose would be served in our attempting to cover the same ground. I told Crawford it was my understanding that State's contacts with Mrs. Kelly on this had been arranged through Mr. Frank Schupp, of the Committee staff. It was my purpose to alert Crawford to the fact that we were going to maintain this position with Czarnecki despite his continued request for information. Crawford said Mrs. Kelly used both Schupp and Czarnecki, that he would talk with Czarnecki and let us know if anything further was necessary.

3. [ ] Talked with Miss Davis, in the office of Senator John A. Carroll (D., Colo.), concerning a Commo recruitment ad which appeared in the ARMY RESERVIST for June, 1962. Senator Carroll had received an inquiry from an attorney on behalf of a young man who was interested in the ad but several years over the maximum age stated. I suggested to Miss Davis that they advise the attorney (a good friend of Senator Carroll's) that the Senator's office had checked, that the ad was legitimate, that the age requirements were not absolutely inflexible, and if the young man was interested he send an application to the Post Office box indicated in the ad.
